In the Pink

Runnymede's Mental Wellness Committee, **Thrive**, will be promoting **Pink Shirt Day** on **February 28th, 2018**. In 2007, two senior students at a school in Nova Scotia saw a grade 9 boy being bullied for wearing a pink shirt. They took action and encouraged others in their school to wear something pink to school and to take a stand against bullying. Within a year, the story had gone viral and schools across Canada had joined the cause.

We are encouraging all Runnymede students to **wear a Pink Shirt to school on Wednesday February 28th** to show your awareness and support for making our school a Bully-free zone. Other uniform rules (including black pants) will still apply for that day.

RCI Students @ Chemistry Scholar's Day

Two of Runnymede's distinguished Grade 11 students, Mbarek Al-Amry and Abir Mir, have been selected to attend a **Chemistry Scholar's Day** hosted by the **University of Toronto** on February 22nd, 2018. These two high-achieving students will be participating in an exciting day of chemistry, including a talk about cutting-edge research, a career panel, tours of research facilities and laboratories, and opportunities to network with chemistry undergrads and graduate students. Good luck and have fun!

Report Cards & Parent Interviews

Report cards will be sent home with students on Wednesday, February 7. Ask your child and check those backpacks! Parent/Teacher interviews scheduled for May 2. Instructions for online registration will be provided closer to the date.
