

MASTERS *All about Me* Supplemental Application

Use the following guiding questions to develop your *All about Me* supplemental application. We look forward to learning more about you in your academic and extracurricular life. We want to know what your interests, strengths, academic and personal goals are?

Tips:

Use the tools (i.e. leaning styles inventories, resume builder, portfolio etc.) available to you in myBlueprint to develop the answers to these questions:

- What are some of your strengths (i.e., writing, math, creativity, team work, etc.) as a student?
- What are some skills (i.e., communication, problem solving, cooperation, etc.) that need improvement as a student?
- *The subject(s) I am most interested in studying in secondary school is/are _____ because _____.*
- *Some teams/clubs/groups I am interested in joining in secondary school include _____ because _____.*
- *I am most excited for _____ because _____.*
- *I am nervous about...*
- *I am still unsure of...*
- *Questions I have about my transition to secondary school are...*
- *Before middle school graduation, I hope to accomplish _____.*
- *I am most proud of accomplishing _____ in elementary and middle school because _____.*
